Road News

Thompson Road realignment update

[Meet the Contractor/Open House](#) Tuesday, June 4, 5-7 pm, Cedar Mill Library meeting room, 1080 NW Saltzman

Meet the project team and learn about construction to realign Thompson Road with Kenney Terrace. Construction starts this summer. No presentation is planned. Drop in anytime between 5-7 pm.

The [Project Page](#) has been updated to show an expected construction start date of June 2024. We will find out more about the sequence of demolition and construction phases at the Open House, we assume.

Because intersection work will

be extensive, long and complicated detours will be necessary. We found this information in a report on the project: "To facilitate the realignment of Thompson Road, two road closures will be necessary. The first closure will be 75 calendar days to make the connection to the new alignment on the west end of the project [where "Old" Thompson makes a 90° turn to become West Union]. The second closure will be 30 calendar days to make the connection of the new alignment to the Thompson Road/Saltzman Road Intersection. Pedestrian routes will be maintained during the closures. A vehicular detour route will be posted directing vehicles and bicycles to use West Union Road,

Bethany Boulevard, Cornell Road, and Saltzman Road."

At press time there was no clarification on how this would work, whether the closures would occur at the same time, or a map of the detours. As soon as we get more information, we'll share it on the Cedar Mill News [page](#) and [group](#) on Facebook, and in the next issue of the News.

Excerpts from the Frequently Asked Questions section of the Project Page

Can a marked crosswalk and pedestrian crossing warning signs be installed on NW Kenny Terrace at NW Dalton Ranch Lane crossing?

A marked pedestrian crossing of Kenny Terrace (future Thompson Road) with a rapid flashing beacon will be added at Dalton Ranch as part of the project. [View](#)

[a similar crossing](#)

Will the median at (Old) Thompson Road and 135th Avenue be removed to allow left turns?

A median is required by our design standards. The 40-mph speed limit requires more sight distance than exists to allow safe left turns. The speed limit would need to be reduced to 25 mph before left turns can be considered. The median will not be removed as a part of this project. The median is required for safety due to limited sight distance around the curve.

How will fire engines leave the area during road closures?

We will work with Tualatin Valley Fire & Rescue (TVF&R) and other service providers throughout all stages of the project. The clo

Continued on page 4

The Opal Apartments bring diversity and affordability to downtown Cedar Mill

On April 11, we gathered at the newest building in Cedar Mill to celebrate [The Opal](#), at the corner of Dogwood and Saltzman, opposite the library. County officials, employees from [Friendly House](#), [Christ United Methodist Church](#) (CUMC) members and leaders, and people from around the community joined prospective tenants in celebrating the beautiful new five-story apartment building. We toured apartments and heard comments from representatives of the organizations that made it possible, including Pam Treece, our County Commissioner, and Juan Carlos Gonzalez, our Metro Councillor.

This new apartment community will provide 54 affordable homes for older adults, with an emphasis on serving LGBTQ+ residents with limited incomes. Construction was funded in part with over \$6 million

in [Metro affordable housing bond](#) funds—about a quarter of the project's total costs. Redstone Equity Partners and Beneficial State Bank were finance partners.

It dedicates half its units to serving extremely low-income residents, with income at 30% or less of the Area Median Income (AMI), by utilizing 24 project-based vouchers for rental assistance. The remaining half will serve very-low-income residents, earning less than 60% of AMI. [Friendly House Elder Pride Services](#) will provide resident services,

Washington County K9 Trials

Saturday, May 18, 10-1, Hillsboro Stadium, 4450 NE Century Blvd, Hillsboro, free

We are thrilled to announce our most anticipated community event, the Washington County K9 Trials, where law enforcement K9 teams showcase their skills and compete for first place! Hosted by the Washington County Sheriff's Office and the Sheriff's Office Foundation, this fun event offers an exciting opportunity for families to learn more about the incredible K9 units dedicated to protecting our communities. K9 trials competi-

tion is from 11-1, safety fair from 10-12, vendor fair from 10-1 ([more information here](#)).

Family and friends of all ages are encouraged to join us for this impressive celebration of our dedicated K9 units. We can't wait to see you there! For general inquiries about the K9 Trials, email WCSO Public Affairs or call 503-846-2763.

WCSO Foundation supports the K9 programs and more

The [Washington County Sheriff's Office Foundation](#) raises money to provide funding for programs and/or services which are not part of the regular budget. It was established in 1995 as a non-profit corporation.

A recent fundraising project provided \$18,000 to purchase and train a special drug-detecting dog for the jail. As the application noted, "Illicit drugs inside of jails has always been a problem, but the recent prevalence of Fentanyl has made almost all illicit drugs more potent and

Continued on page 4

Blake, the new K9 team member, and her handler Deputy Nick Boyers are still in the training phase. They will begin work at the jail in the next few months.

Friday, May 17, 6-9 pm, Summa Real Estate Group, 18300 NW Cedar Falls Dr. Ste 120, free

Proceeds from this bi-annual night market benefit The Domestic Violence Resource Center. Bring a donation for a chance to win a gift basket full of the evening's creations. We hope to see you there! Donated items can include toiletries, diapers, gas cards, and gift cards.

Big Rocks Organizing presents: Ask the Organizer

Wednesday, May 1, 4-5 pm, via Zoom, free, [register here](#)

In honor of World Organizing Day, the Big Rocks team will answer your burning questions about organizing and resources! Whether you have a specific project in mind, a design challenge, or are simply curious about what we do, we would love to hear from you. Our team will answer your questions live and we look forward to having you join us. Prepare for an educational and entertaining hour packed full of helpful advice, tips, and resources! For more information contact kayla@bigrocksorganizing.com.

Cedar Mill Farmers Market is open for business; seeks volunteers

Saturdays, May 4-October 19, 9 am-2 pm, Safeway parking lot (corner of Murray & Cornell)
Volunteer orientations, Saturday May 11 and 18, after 2 pm

Grab your baskets and tote bags, the Cedar Mill Farmers Market is open! This season you can look forward to many exciting new vendors as well as outstanding returning vendors joining us.

Indulge in the simple pleasure of browsing through the stalls or treat yourself to a leisurely morning with a bagel with cream cheese, a steaming cup of local coffee, or a delectable lunch crafted with love from our vendors. The market is excited to offer artisan breads, handmade candles, an incredible variety of fresh produce, vibrant flowers, and more for everyone to enjoy.

A variety of musical artists will be joining us as well this season, and we can't wait to hear them play. Even our younger visitors have something to look forward to at our Power of Produce booth, where we will have games and crafts that are both fun and encourage learning about why farmer's markets are so great.

Volunteers needed! Our team has been working diligently preparing for an excellent market season, and we would love some help from our community. Join us in bringing this beloved market to life by lending a hand on Saturdays throughout the season. Whether you are new to the Cedar Mill community or a long-time market goer, we welcome you with enthusiasm! Volunteer orientations will be held in the market space after closing on Saturdays, May 11 and 18. Stop by either date to join us and learn how you can be a part of our market family. The countdown is on!

Try Dana's Breads at CMFM!

We are an artisanal bread bakery located in Bonny Slope. Our breads are baked by order so you will enjoy them fresh. Our sourdough bread is a labor of love, with each loaf meticulously prepared, naturally fermented, and expertly baked to perfection. The long fermentation process makes the bread easier to digest. We offer a wide variety of sourdough flavors, from the classic to unique and exciting variations. Lately, we expanded our

variety of yeasted products with fresh Pocket Pitas, in addition to our signature Challahs and buns.

We are excited to update you that we will participate

in the Cedar Mill Farmers Market starting on May 4. It will be great to see you! Visit our booth, and you will be able to find a variety of sourdough breads, Challahs, and buns.

To view the varieties and order bread to pick up on Fridays, [visit our website](#) or call 503-333-8043. Delivery options are also available.

Sunset Credit Union offers college scholarships

Each year, Sunset Credit Union awards two \$2,000 college scholarships. If you, or someone you know, including family and friends, are going to college in September, let them know about the scholarship opportunity so they can apply too!

To apply, stop by their office or visit the [Sunset Credit Union website](#) and click on the 'college scholarship' link. If you are not a member of Sunset Credit Union yet, you can join easily and securely online anytime on their website.

Sunset Credit Union is open to anyone who lives, works, worships or attends school in Washington County. To learn more, stop by their office at 1100 NW Murray Blvd., visit their website, or call 503-643-1335.

Symphony Coffeehouse offers special Mother's Day menu!

Saturday and Sunday, May 11-12, 8-4, 16155 NW Cornell Rd Ste. 500 (near the Goodwill and Burger King)

Symphony Coffeehouse will be featuring a special Mother's Day menu on top of its fantastic regular menu—Crepe Crème Brûlée with Strawberries, Crepe with Fresh Peaches, Crepe savory (with salmon, spinach, dill cream cheese, topped with over easy cooked eggs), Homemade Biscuit (with breakfast eggs, turkey sausage and cheddar cheese), Fresh Blueberries Waffles, Brioche French Toast, and Virgin Sunrise Mimosas! For one weekend only you won't want to miss out on celebrating all the wonderful moth-

ers out there!

Symphony Coffeehouse is a family owned coffee shop that is proud to serve our community. You can find information about us on Instagram, the [Symphony Coffeehouse website](#), or call us at 971-910-7191. We appreciate our community and your support! See you soon!

Laurel Parc celebrates 15 years in the community

[Laurel Parc](#) Senior Living Community in Bethany Village recently celebrated a significant milestone as it marked its 15th anniversary on April 1. The festivities were a heartwarming tribute to the vision and dedication of its founders, Roy and Francesca Kim, who not only developed the community but have remained actively involved over the years.

The anniversary celebration was a joyful occasion, highlighted by a cake-cutting ceremony led by Roy and Francesca, whose vision and passion have been instrumental in shaping Laurel Parc into the thriving community it is today. Their commitment to providing exceptional senior living experiences has set the standard for excellence in the industry.

As residents and staff gathered to commemorate the occasion with live music, magic, heavy hors d'oeuvres, and drinks, there was a strong sense of gratitude. The dedication to creating a warm, welcoming environment where seniors can thrive has made a lasting impact on the community. The anniversary celebration also recognized the four residents who have been with Laurel Parc since its inception 15 years ago. Their presence reflects the sense of belonging and community that Laurel Parc has worked diligently to foster. The event also paid tribute to Mary and Carrie, two staff members who have been integral members of the Laurel Parc family for 15 years. Their dedication to providing compassionate care and support has helped create a home away from home for its residents.

Dribble, Shoot & Score! Rip City Hoops offers basketball clinics

Sunday, May 19, 1 pm, [Register here](#). Saturday, May 25, 1:30 pm, [Register here](#). Ages 6-16.

CPO 1 News

CPO 1 May meeting: TriMet and Peterkort update

Tuesday, May 14, 7-9 pm, hybrid via zoom and at Cedar Grove East Community Room, 13400 NW Cornell

CPO 1 will feature a TriMet update covering these topics: "What is a Hop Card, how do you get one, and how is it used? What kind of shuttle services are recommended in the [Westside Multimodal Improvements Study](#)? How is [Ride Connection](#) related to TriMet?" And we will have a general update on the projects and services provided by TriMet.

A representative of David Evans & Associates has been invited to share an update on some design changes for West Village Phase I project (formerly Sunset Town Center Phase 1), the mixed-use project proposed for the land north of the Sunset Transit Center. This was not confirmed at press time but the program will be updated on the [CPO 1 Facebook page](#).

You now have the choice of meeting [online via zoom](#), or in person in the East Community Room at Cedar Grove Apartments at the corner of Murray and Cornell. If you are driving, please either park on the street or in the southeast corner of the Safeway lot. If you can't attend the meeting, it is recorded and available on YouTube for viewing later. [Visit our YouTube channel and subscribe!](#) Our [Facebook Group](#) is a good place to discuss current issues and get timely updates.

CPO 7 meeting

Monday, May 13, 7 pm, Bethany Presbyterian Church, 15505 NW Springville Road, and [live-streamed on Facebook](#)

CPO7 will host the Washington County Sheriff's Office and Washington County Land Use & Transportation. Presentations will address how traffic safety concerns are assessed and addressed by Washington County and how Washington County partners with other jurisdictions to mitigate problems.

Partnering with other jurisdictions has become an issue in our neighborhood because the north section of one neighborhood street (150th Ave.) is in Unincorporated Washington County while the south end of the street (where it connects with Walker Road) is in the City of Beaverton. Additionally,

some neighbors living on 150th Ave (north of Walker Road) are in CPO1 while others (those living north of NW Pioneer Ave.) are in CPO7. We, and LUT, think this is a topic that would be of interest to CPO1 members and we would like to invite you all to our May 13 meeting. This will again be an in-person meeting with the option of accessing the live stream format.

Development News

Lakeshore pond dredging

An application was submitted to Washington County Land Use and Transportation (LUT) by the Lakeshore HOA to dredge the three ponds due to accumulated sediment, and to enhance the wetland and vegetated corridors. Comments are due by May 7. Visit this page and select [L2400042](#).

Cedar Hills Apartments granted a two-year extension

High Street Residential requested that Beaverton grant an extension of the approval for their project to redevelop the existing Cedar Hills Shopping Center into 4,700 sf. of ground floor commercial space, and 400 attached dwelling units. No changes to the design of the previously approved decision are proposed.

Park Place Homes LLC development approved

[Two two-parcel partitions](#) were approved for lots on the west side of NW 113th Ave, north of NW Damascus. Conditions included building a sidewalk and a half-street improvement for 113th.

Cedar Mill Terrace development application submitted

An 8-lot subdivision is proposed for a 1.75-acre site on NW Kearney east of 116th. Right-of-way will be dedicated along the property's south boundary along Kearney to allow for a full-width street connection between NW 113th and NW 116th.

Another ROW dedication at the northeast corner will allow for a full-width connection of NW 114th and NW Kenzie. A pedestrian path is proposed to connect NW Kenzie

and NW Kearney along the east side of the development.

Westlake Consultants submitted the application for Noyes Development who plan to build the subdivision. The area is zoned R-6 (six lots per acre) as are the adjacent properties. This application is for the land division. Another application will be submitted before construction begins. The application packet will be available to view at the CPO 1 area of the Cedar Mill Library. CPO 1 comments are due by May 17. If you want CPO 1 to comment, send an email to cpo1leaders@gmail.com.

April meeting notes

By Bruce Bartlett, CPO 1 Vice Chair

Every month, CPO 1 starts our land use-oriented meeting by reading the county's [Land Acknowledgment statement](#), in part to remind us of our stewardship responsibilities. A recording of the meeting can be found [here](#). During the "It's Your CPO" segment, a statement from Stacey Wainwright, who was unable to attend, was read regarding Thompson Road east of Saltzman and how the lack of sight distance makes it very unsafe for everyone.

Pam Treece, District 2 County Commissioner shared that May is the time to establish the county budget and there are many moving pieces. Further budget cuts are predicted in the 4% range. Public comments will be accepted during the review period. She reported that Portland General Electric donated \$10,000 to the Washington County Cooperative Library System (WCCLS) related to the impact of the January 17 ice storms. The money is earmarked for E-books for young people. The Oregon Legislature approved approximately \$13M for the new [Center for Addictions Triage and Treatment](#) (CATT), a project to increase addictions treatment capacity in Washington County on schedule to open in 2025. That money will allow construction to begin.

Service Provider Updates

The Washington County Sheriff's Office, Tualatin Hills Park & Recreation District, Tualatin Valley Water District, and Tualatin Valley Fire & Rescue visited us in February. All agencies are having an extremely difficult time hiring enough people

Roads, continued from page 1
sures will be scheduled so there will be open access to/from the TVF&R station. The project includes two separate road closures, each will last about 30 days. {Ed. Note, this conflicts with the above detour info, we don't know which is correct.]

How will the new Thompson Road alignment impact student drop-off and pickup at Findley Elementary?

Findley Elementary student drop-off and pickup has been considered in the design of the project. We will coordinate with school staff throughout construction to maintain access with minimal delays.

What traffic control will be used at Kenny Terrace/Thompson Road and Old Thompson Road?

A stop sign will be installed on existing Thompson Road (Old Thompson Road) where it intersects Kenny Terrace (new Thompson Road). There will be a clear line of sight in both directions.

How does this project impact the access to Arbor Cascadian neighborhood?

The existing Thompson Road will dead end at the Findley Elementary driveway. Access to the Cascadian neighborhood at 135th will remain right-in and right-out [from Old Thompson?]. Evergreen Street access will remain open throughout construction.

We assume that these detours and impacts will vary throughout the project, which is estimated to last through summer 2025. LUT tells us, "Actual construction work, including road closures, will start in June. We will work closely with TVF&R to ensure they have advanced knowledge of all traffic impacts and the resources they need to avoid the closures. We are still completing hiring paperwork with the contractor; we do not have a schedule from the contractor and do not have expected dates for the two road closures. We expect to have these in late May."

Financial Wellness Coaching

Wednesdays in May, 9:30-11:30 am, Beaverton Resource Center, 13565 SW Walker Rd, free

Are you ready to take control of your finances? Budgeting: Learn effective budgeting strategies to manage your money wisely. Tumwater Middle School brings us a story of small-town high school life, filled with music and dance!

Across Oceans Art Installation Reveal Party

Friday, May 3, 6-9 pm, The Reser & City Hall, 12625 SW Crescent St.

The Reser and The City of Beaverton/Beaverton Arts Program are excited to announce the new public art installation, Across Oceans, by Portland artist Kanani Miyamoto. Made up of hundreds of hand-carved, cut, and pulled prints, the work features beautiful, stylized imagery that celebrates common connections.

Across Oceans wraps the window façades at The Reser and the entrance to the Beaverton Building at City Hall, combining traditional printmaking practices, Eastern art aesthetics, and Hawaiian philosophy. The imagery signifies the coming together of people from distant lands across bodies of water that connect, not divide us.

Participants are encouraged to meet the artist, view the work, and see the materials and woodblocks used to create the masterpiece. For more information about upcoming Across Oceans programs, please visit [The Reser website](#)

Support Sunset Bands: Online auction and live concert

Online auction: Monday, May 20, 9 am, opens at [sambanote.org](#)
Live Senior Send-Off concert: Thursday, May 30, doors open 6:30 pm, concert begins 7 pm, Sunset High School Auditorium, free

Join in to support the Sunset High School bands! Gardening with Food Hero
Tuesday, May 7, 7-8 pm, Zoom, [register here](#), free

Join the WCMGA and LeAnn Locher, OSU Extension State-wide Master Gardener Outreach Coordinator, to learn more about the innovative social marketing campaign of OSU Extension and OSU’s SNAP-Ed program, which brings free seeds, gardening guides and tips, grow calendars, and more to thousands of Oregonians.

Conifers of the Pacific NW
Saturday, May 18, 10-12 pm, PCC Rock Creek Campus Bldg. 4 (Room 103) and WCMGA Ed Garden, [register here](#), free

Join WCMGs Elizabeth Price and Lisa Hansen to learn more about conifers of The Pacific Northwest. The PNW is one of the most diverse regions in the world for conifers. We will walk the PCC Rock Creek campus examining the foliage, cone, bud, and bark characteristics that differentiate spruce, true fir, hemlock, Douglas-fir, larch, and true cedar. A bit of natural history on each of these groups of conifers will also be discussed.

WCMGA Open Garden
Saturday, June 1, 10 am-1 pm, PCC Rock Creek Campus, 17705 NW Springville Rd., free

Join us in the garden for hands-on activities for the whole family that

celebrate invertebrates and vertebrates. Learn about the insects and other wildlife in our garden and meet some farm animals from the PCC Rock Creek Farm, including the endearing miniature horse, Tootsie!

For more information, please go to the [WCMGA website](#). The WCMGA sponsors a wide variety of gardening-related demonstrations, lectures, seminars, and workshops in various Washington County Oregon locations.

Plant Sale!

Saturday, May 11, 8:30 am-2 pm, 12555 SW 22nd Ave. at the corner of SW Hall Blvd. & SW 22nd Ave., free

Cedar Mill Garden Club will join with Beaverton Garden Club for their 16th Annual Plant Sale. The event includes over 1500 perennials, shrubs, trees, veggie & herb plants, creative containers, native starts, Mother’s Day bouquets, garden gloves, and mosaic stepping stones. Many more garden-related item crafts and miscellaneous items will be offered for sale too.

Beavers: our local ecosystem engineers

Wednesday, May 22, 7-8:30 pm, Skyline Grange, 11275 NW Skyline Blvd.

Beavers are active engineers of our creeks on Skyline Ridge and around the Tualatin Valley, building dams, rechanneling creeks, creating bogs and ponds. Presented by David Osborn, faculty member at PSU, who will describe his work supporting the reintroduction of beavers to the Mt. Hood National Forest. This is the fifth presentation in the 2024 Skyline Living Series organized by the Skyline Grange Education Committee.

Treekeepers of Washington County programs

We work to protect and advocate for trees in urban unincorporated Washington County. Don’t miss our upcoming events!. [Visit the Treekeepers website](#) to learn more.

Tree Talk: Getting to the root of tree stress problems

Wednesday, May 15, 6:30 pm, Zoom, [register here](#), free

How we can support the existing tree species in our shared urban canopy through climate stress? This talk on root collar disorders and soil care/nutrient support for trees facing seasonal stressors such as drought and prolonged periods of heavy rainfall underscores the critical role of soil health in maintaining tree vigor and resilience. This

talk will be facilitated by Bartlett Tree Experts with Logan Collier as speaker.

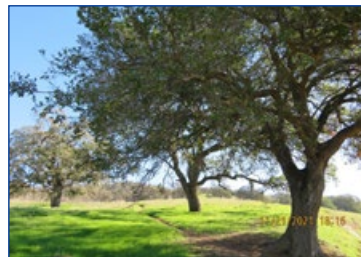

Tree Walk: Tektronix Campus

Sunday, May 19, 10 am-12 pm, SW Hocken Ave., [register here](#), free

Join Becky for a Tree Walk on the Tektronix campus in Beaverton. Yes, this is a corporate complex with lots of buildings and parking lots—but it’s also home to a surprising number of beautiful and varied trees. This walk will be mostly on pavement and paved trails (although we’ll also enjoy some grassy/wooded areas) and is approximately two miles. There are no drinking fountains or restrooms on the walk itself (plenty at nearby Cedar Hills Crossing). No dogs please. Sign up early, as registration is limited.

Tree Walk: PCC’s Rock Creek Trail and a guided tour of the Five Oaks Museum

Saturday, May 25, 10 am-12 pm, 17677 NW Springville Rd., Portland, [register here](#), free for walk, \$8 per adult for tour

We are excited to offer a guided tour of the Five Oaks Museum exhibit, Replenish the Root: Six Centuries of Gathering Under the Oaks, at a discounted price of \$8 per adult. This exhibition takes visitors through over 600 years of history of the stand of ancient trees that gives the museum its name. It tells the stories of people, plants and animals that have utilized these oaks, including Indigenous land stewardship as well as changes caused by colonial settlement, agriculture, and urban growth. This will be combined with a walk through PCC Rock Creek’s nature area which includes upland conifer forest, ash forested wetland, wetlands, prairie, and Oregon white oak woodland. Sign up for the walk, the museum tour, or both. For more information, visit the [Five Oaks Museum website](#).

Opal, continued from page 1

with the goal of creating a safe, welcoming community where residents have the support and resources they need to live healthy, active, independent lives. Friendly House will offer a variety of educational, social, recreational, fitness, wellness, and community-building opportunities. Several large and welcoming gathering spaces take up much of the main floor entrance area. Some of those spaces will also be available for community use. (CPO 1 is hoping to meet there soon.)

Rev. Paul Richards-Kuan, the lead pastor at [Christ United](#), said the idea for this project started nearly 20 years ago, and began in earnest in 2018 following the passage of a Metro voter-approved affordable housing bond that year. CUMC worked with [Home First Development Partners](#) to create the development on land they owned. As Bishop Cedrick D. Bridgeforth explained in his remarks at the opening celebration, this project is part of the church’s ongoing initiative to use its land for the creation of affordable housing. Church members made over 60 quilts to welcome new residents. The church is also donating supplies for the communal kitchen.

If you are interested in making The Opal your new home, please [visit their website](#). Watch [this video from Washington County](#) on YouTube for a summary of the opening celebration.

SAVVY Caregiver Course

Mondays in May, 1:30-3:30 pm, Beaverton City Library, 12375 SW 5th St., \$15

Washington County Disability, Aging and Veteran Services (DAVS) is sponsoring SAVVY Caregiver, a six-week series for those caring for someone with Alzheimer’s disease or dementia. Attendees will: gain a better understanding of Alzheimer’s and related dementias; develop self-care strategies; learn skills to provide activities of “contented involvement” for your family member; and gain other resources for care-related assistance and support. To register, email familycaregiver-support@washingtoncounty.gov or call Susan at 503-846-3089.

Register Now for Classes, Camps, and Fun

Are you ready to make this summer one for the books? At THPRD, we're gearing up for a fun-filled season of learning and adventure, and we can't wait for you to be a part of it! No matter your age or interests, there's something here for everyone to enjoy. From kids eager to explore new adventures to adults seeking enriching experiences and seniors looking to stay active and engaged, THPRD is your summer destination. Register for your summer adventure now at [the website's portal](#).

May Events near Cedar Mill from THPRD

Walk with Me events

Wednesday, May 1, 6:30-7:30 pm, Commonwealth Lake Park, Foothills Dr. and SW Dellwood Ave., free

Walk, Reset: Learn how to help yourself or others in overwhelming situations during the instructor-led walk.

Saturday, May 11, 9:30-10:30 am, Jackie Husen Park, 10955 NW Reeves St., free

Pen to Paper: Learn how journaling or writing prompts can help you work through mental blocks or everyday challenges you may face. Meet at the park entrance near restrooms.

Wednesday, May 15, 6:30-7:30 pm, Rock Creek Trail, NW 177th Ave and NW Blacktail Dr., free

Make it a Habit: Learn about creating habits and how being consistent in even the little tasks of your day can have a big impact on you.

Visit the [Fitness in the Park webpage](#) for more fitness events.

Volunteer for BSD Track & Field Meet at Sunset High

Tuesday, May 7, 4:30-8 pm, Sunset High School, 13840 NW Cornell Rd.

[Volunteer](#) while supporting BSD middle school students to do their best competing at local track meets. Volunteers will welcome athletes, provide support with timekeeping, and help run various meet stations throughout the evening. Please bring a reusable water bottle to drink from throughout your shift.

Share Your Fishing Experience!

Saturday, June 1, 8:30-2:30, Commonwealth Lake Park

THPRD's hosting a free family fishing day for everyone! Volunteer to help out at the event by welcoming attendees, helping fishing

novices with their technique, and supporting experts from ODFW who will be leading demonstrations. [Sign up to volunteer today!](#)

Climate Action Plan Adopted

The district adopted its first [Climate Action Plan](#) in March. The full plan can be found on our website by visiting [the sustainability page](#).

Youth Volunteers Needed!

RISE Youth Leaders assist in a leadership capacity with district events, classes, and summer camps. Youth interested must be 13 or older and able to attend a virtual training session, which is approximately one and a half hours in length. Monthly trainings are scheduled through the winter/spring. Junior Lifeguards volunteer to assist lifeguards during open swim and swimming classes. Youth interested must be 12 or older and be able to complete a junior lifeguard course (20-25 hours of training). Youth can sign up for volunteering at this [youth volunteer webpage](#).

THPRD Local Option Levy (Measure 34-337)

This May, voters will have the opportunity to vote on a new local option levy to fund THPRD operations. If approved by voters, the levy would be for \$0.50 per \$1,000 assessed value for five years. The levy would increase taxes on the average home in the district by \$152.12 per year or \$12.68 per month. The levy would maintain existing service levels, improve safety and maintenance in parks, natural areas and trails, and fund a new registration system. Items the levy would fund include ensuring weekly garbage collection at parks, ensuring public restrooms stay open and cleaned, preserve up to 300 positions (50 full-time and 250 part-time), fund after school and preschool programs, and maintain facility hours for the public at recreation centers. To learn more visit the [levy webpage](#).

Hillsboro Parks and Recreation

Hillsboro Art Walk open to the public on first Tuesdays
Tuesday, May 7, 5-8 pm, Walters Cultural Arts Center, 527 E. Main St., Hillsboro, free

Join us every first Tuesday of the month to explore Hillsboro's Cultural Arts District and enjoy local galleries and art spaces, live music, food, engaging activities, and shopping. Visit the [Art Walk page](#) for more information and to plan your visit.

Safeguarding Drinking Water Quality through Service Line Identification

By TVWD staff

Tualatin Valley Water District (TVWD) recently completed an assessment identifying any lead-based service line materials within our public infrastructure. Service lines are the smaller pipes that connect water distribution mains to individual home's water meters and then to a home or business's plumbing. Lead, which is harmful to humans and animals, can be leached into drinking water when a reaction occurs in plumbing materials that contain lead.

Our Service Line Inventory project is required by the United States Environmental Protection Agency (U.S. EPA) and Oregon Health Authority (OHA) and aligns with TVWD's ongoing commitment to upholding the highest standards of water quality and safety for our customers. Fortunately for TVWD and the much of the Pacific Northwest, lead was rarely—if ever—used for service lines.

During this project, no lead service lines were discovered on either the public or private side of the water system.

These service lines have two components: Public side of Service Line: The portion that connects the water main to a water meter, which is owned and the responsibility of TVWD, and Private side of Service Line: The portion that connects the water meter to a home or business, which is owned and the responsibility of the property owner.

TVWD used a statistical method approved by OHA to randomly select more than 380 residential homes built before 1985, when lead was banned as a building material, from across our service area, including approximately 75 in Cedar Hills and Cedar Mill.

Selecting sites randomly eliminates bias in the process, thereby allowing the results to be applied to the rest of TVWD's service lines with high confidence. This approach saves significant resources for TVWD and its customers when the chances of finding a lead service line on either the public or private side are near zero. Homes built at various dates before 1985 were selected. TVWD never used lead as a material for service lines even before it was banned.

A contractor was hired to excavate and expose a portion of the public and private side service lines

to visually identify the material type. The contractor finished this work at the end of March, ahead of schedule and under budget. Complete results will be submitted to OHA in April, ahead of the October 2024 deadline.

TVWD will continue doing everything possible to reduce lead exposure in customer home plumbing, including conducting lead-in-water related outreach and education to customers; tracking, monitoring, and adhering to future water quality rules; and actively participating in an annual lead testing program under the U.S. EPA and OHA lead rules.

We would like to thank the nearly 75 TVWD customers located in the Cedar Hills and Cedar Mill areas who were selected to participate in this project. Their patience during this important project was appreciated by us and our contractor.

You can visit keepingwatersafe.org/sli for more information about the Service Line Inventory Project or tvwd.org/lead for more information about lead and your drinking water. At TVWD, safeguarding the health and well-being of our customers remains our top priority. Through initiatives like this, we strive to ensure that every customer has access to clean, safe, and reliable drinking water now and in the future.

Washington County Mental Health and Substance Use Services

In Washington County we have a network of community providers who are available to provide support. County staff provide civil commitment services, protective services, and care coordination. Cedar Mill real estate market: Spring is ideal for selling your home

By Jan Dempsey, Realtor, Windermere Realty Group

Portland home buyer traffic is steadily increasing while home inventory has stabilized: consequently, home prices are climbing higher. [Sellers](#) will benefit from increased buyer competition over the coming month. Buyers should act fast before prices reach their peak toward the end of the season in late May.

Of course, looming in everyone's mind is the recent National Association of Realtors (NAR) settlement, and how that might affect this year's real estate market. It is important to note that nothing is expected to change (and I have seen no changes yet) until the actual rules change in July 2024. Stay tuned for more information. Right now, real estate agents are waiting for the settlement to get approved by the court—until that happens, things will remain uncertain.

The new wave of spring buyers

Blood Drive

Tuesday, May 14, 12:30-6:30 pm, Christ United Methodist Church, 12755 NW Dogwood St., free

Please come and make a difference in our community by donating blood! You can sign up using the QR code or you can just show up!

Expedite your blood donation with American Red Cross RapidPass

Complete your pre-donation and health history questionnaire from your computer or mobile device using RapidPass. Be sure to screenshot or email your RapidPass to yourself and have it ready to present to staff before exiting health history. On the day of your appointment, you can start the donation process before leaving home using the [Blood Donor App](#) or by visiting the [Red Cross Blood website](#).

makes this the [most beneficial season for sellers](#). This is the usual pattern at the beginning of spring for our local housing market—when motivated sellers begin bringing their homes to market and inventory starts to rise. Each year the [spring season](#) brings increased buyer competition for a limited number of homes which keeps prices high for sellers. The number of homes with price drops has been steadily declining since December and we anticipate the trend to continue through the end of May when this year's [seller's market](#) begins to wind down.

Home prices (represented by price per square foot) have been increasing since the beginning of the year and have nearly matched average prices in March of 2022. The current market conditions of an increasing number of buyers competing for a low supply of homes leads to higher prices, and we expect these factors to continue to drive prices upward throughout the [spring season](#).

I have almost 40 years of experience analyzing and helping sellers navigate our local housing market, and right now is an ideal time to list your home. The [spring season](#) is always the most active for the Portland housing market and the high volume of motivated buyers leads to shorter turnarounds and ideal sale prices for sellers.

It would be my pleasure to meet with you, to learn your plans, and to help you navigate this transition. This is a very complicated market; I would love to help you understand it. Don't hesitate to contact me at 503-706-6358 or jdempsey@windermere.com.

Kiwanis Club fundraiser

Sunday, June 2, 2-4 pm, Amaterra Winery, 8150 SW Swede Hill Drive (off Miller), \$60, ticket info below

Proceeds will benefit the Kiwanis Club of Cedar Hills, serving kids locally, as well as nationally and internationally, for nearly 60 years. Major projects for KCCH locally include the Mt. Hood Kiwanis Camp for the developmentally disabled, the Kiwanis Doernbecher Children's Cancer Program, Meals on Wheels, providing school supplies and Christmas gifts to kids in need, and sponsoring Key Clubs in six Beaverton High Schools.

Tickets include wine tasting, antipasto, and a visit to one of Oregon's newest local wineries. Information on purchasing tickets is available at www.cedarhillskiwanis.org or by texting 503-961-6057.

CPO News, continued from page 3 to serve our needs. If you are looking for a rewarding professional first-responder job, look into the [Sheriff's Office](#) or [TV Fire & Rescue](#) positions. As the weather warms and activity increases, many [volunteer positions are open](#) to provide essential assistance to programs at the Tualatin Hills Park & Recreation District.

Election forum

We then had visits with representatives of the three public agencies that have funding measures on the May ballot. Holly Thompson, THPRD Communications Director, visited in-person and explained the [Tualatin Hills Park & Recreation District Levy 34-337](#). Corrinne Haning, TVF&R Public Affairs Officer discussed [Tualatin Valley Fire & Rescue - 34-332](#), and Juan Carlos Gonzalez, our Metro Councillor, explained the levy to support zoo activities: [Metro - 26-244](#). Voters are encouraged to visit these links to learn more, and to [watch the meeting video on YouTube](#) for concise and interesting presentations.

Washington County Sheriff Candidate Caprice Massey is running unopposed for a four-year term after having been appointed last year. She had visited with us during the first part of the meeting. No organized opposition was found to speak on any of the levies. US House of Representatives Democratic and Republican Primaries for the First District are on the ballot, but we were enjoined to avoid politics.

The Washington County CPO leadership group, the Committee for Community Involvement (CCI), meets monthly and its meeting recordings can be viewed on the [CCI YouTube Channel](#)

Viva Village May 2024 Events

Viva Village is a Beaverton-area grassroots organization of members and volunteers who focus on enhancing and expanding the ways we can age well. We provide connections, programs, volunteer services, and referrals so members can lead engaged, healthy lives. For more information visit the [Viva Village website](#). Members-only events are listed on the website and in the [web version of The News](#).

Women's Coffee (in person)
Wednesdays, May 1, 8, 15, 22, 10-11

Harry Bodine Jr. (1932-2024)

(Excerpted from [Legacy Remembers](#))

Harry Evans Bodine Jr. died April 21, 2024 in Portland. He was born Sept. 12, 1932 in Houston, TX, the son of Harry and Ann Bodine. He was raised in Dallas, TX and Glendale, MO. Following graduation from Kirkwood, MO High School, he obtained a Bachelor of Journalism from the University of Missouri. Following graduation, he served two years in the U.S. Army's Field Artillery, based in Fort Sill, OK, Fort Riley, KS and Aschaffenburg, Germany.

Harry began a 42-year career as a newspaper reporter and editor in 1956 starting at the Roseburg OR News-Review. He later edited the Ontario, OR Argus Observer and returned to Roseburg as city editor. His longest day in the news business came in 1959 when a truck loaded with dynamite and fertilizer exploded in downtown Roseburg, killing 14 people and leveling 10 city blocks.

In 1964, Harry left newspapering briefly, managing a Congressional candidate's primary campaign in Idaho's 2nd District. When his candidate lost, he and his wife Winona moved to Portland, launching a 33-year career at The Oregonian and a 58-year residency in Cedar Hills. They became staples in their community at their church, Murray Hills Christian, as well as volun-

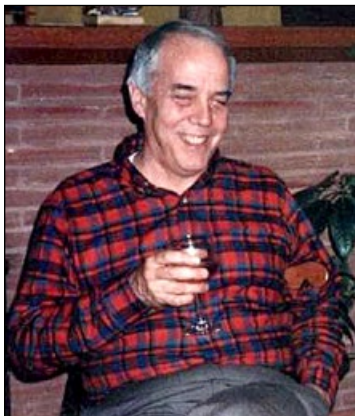

teering at the Cedar Mill library.

At The Oregonian, Harry had his dream job covering state and national politics from 1967 to 1975, interviewing five U.S. Presidents, candidates who canvassed Oregon in Presidential primaries, and attending national governors' conferences. In his last decade at The Oregonian, he covered local governments in Washington County.

In retirement, Harry served on the board of the Cedar Mill Community Library Association and was board president when the library added the addition in 2000-01. From 2002-2020 he was part of the leadership of People for Libraries, [advocating voter approval of county-wide property tax levies](#) to finance library services. The record: 5 wins, 1 loss.

Washington County awarded Harry its Distinguished Service Award in 1986, the first individual so honored, and the Oregon Library Association's Volunteer of the Year award for his work on library levy campaigns in Washington County.

Harry and Winona had two sons. He is survived by their son, Stephen (Steve), his wife Melissa Ann Fischer (Mitzi) and one granddaughter, U.S. Air Force 2nd. Lt. Windra Bodine. A Celebration of Life for both Harry and Winona, who passed away on February 28, 2023, will be held on May 4 at 11 am at Murray Hills Christian Church.
